*Children need well-balanced, nutritious meals to maintain health and be successful in school. Aledo ISD Cafeterias serve a healthy breakfast and lunch every school day. Meals and snacks are analyzed for nutrition content, age appropriate calories and contain no more than 30% average fat. School meals also provide a variety of fresh fruits and vegetables, limited fats/sodium and contain many sources of whole grains and calcium. Our staff is proud to serve and educate your students about healthy food choices. More information about our program and further nutritional education resources are available at [www.aledoisd.org](http://www.aledoisd.org), link to Cafeteria Services or Departments.\**

### School Meals and Prices

School Meals include a choice of 3-5 food items: protein, whole grain, fruit, vegetable and milk. **Students choosing a School Meal will be required to choose a fruit or vegetable as one of their tray items at Breakfast and Lunch.** Menus are available on the AISD web page\* and Nutri Café mobile app. A complete breakfast is \$1.50 and a complete lunch is: Elem \$2.50/Inter \$2.60/AMS \$2.75/DNG \$3.00 AHS \$3.00 to \$3.95 (Ideal Meal).

### Free/Reduced Meal Program

Free or reduced price meals (breakfast .30¢/lunch .40¢) are available based on financial need through the National School Lunch/Breakfast Program. Applications can be submitted online at [www.aledoisd.org](http://www.aledoisd.org)\* or paper applications can be obtained from the school office or Child Nutrition Department. Parents can also check eligibility status online, at [www.aledoisd.org](http://www.aledoisd.org)\*, after your application for meal benefits has been submitted and processed with Aledo ISD. Application information is strictly confidential and is not available to students or teachers.

### Special Dietary Needs

If your child has a food allergy or special dietary needs, please contact the School Nurse for a copy of *Guidelines for Students with Special Needs*. Special dietary needs that comply with the *Guidelines* will be communicated to the Cafeteria (by the School Nurse) and noted in our system to alert staff so that we may help monitor your student's needs. Aledo ISD has elected not to sell peanuts or peanut-based products in our cafeterias. However, it is possible that some products sold in school cafeterias may be manufactured in facilities that produce peanut products. Students are free to bring peanut products from home for their own consumption.

### Account Restrictions

**PK-6 ONLY:** Please notify the Child Nutrition Office in writing (with phone #) if you would like to limit your child's purchases so we can program limits into their account via pop-up message (limit 20 characters). Pop up messages (except medical notes) are purged yearly. The Child Nutrition staff will do their best to monitor your student's choices.

### Charging Policy

If a student has no lunch and no money and comes through the serving line, the cafeteria will provide them with a nutritious School Meal.

**However, if the student's account reaches the charge limit of -\$15.00, the student can be provided with a Snack Meal only** (students should see Cafeteria Manager). Students with a negative cafeteria balance will not be allowed to purchase snacks or extras until their balance is current. Negative balances will be communicated to parents via Parent Link. Low and negative balances are communicated to students when possible but students/parents are responsible for monitoring cafeteria account balances (see payment options). Cafeteria account balances must be paid in full by year end.

### Payment Options

**We encourage all parents/students to prepay money into their account to help lunch lines move faster and to avoid lost/forgotten lunch money.** When sending cash or check, please include the student ID number. *In an effort to serve you better, AISD has included a parent online credit card payment system through MySchoolBucks, online or mobile app. You can make credit card payments to your student's cafeteria account online for a small convenience fee. The system will also allow parents to view student cafeteria account balances and purchases at no charge as well as set up free, automatic, low balance email notifications.*

**Remember to allow at least 3 days for your online payment to post to your student's account (and up to 10 days if e-check is used).** For further details, please go to the AISD web page.\*
